## Internal Rules of Procedure

### PREAMBLE

*Established body by virtue of the Education Act, the Governing Board exercises the functions and powers granted by the Act and those delegated by the School Board's by-laws, if any. All the Governing Board's decisions must be made in the best interest of the students.*

*The rules of order are to favorably and effectively guide the Governing Board's proceedings and activities. We suggest for these rules to be reviewed and adopted every year, by the October meeting at the latest. However, if not adopted again the following year, they remain applicable to all members. Any amendments to these internal rules during the current term will require the approval of two-thirds (2/3) of the total members on the Governing Board.*

The Principal and the Chair draft the agenda together. Any member of the Governing Board may ask that an item be added to the agenda by requesting it to the Chair at least 7 days prior to the meeting. The topics must be of the Governing Board's jurisdiction. The final decision as to whether a topic will be put on the agenda resides with the Chair.

9. Minutes

The Recording Secretary will prepare the minutes and distribute them to all the members. The minutes of each meeting shall be approved at the beginning of the following regular meeting and modifications shall be made if the facts recorded are inaccurate.
